

Online Course Evaluations

2014-Fall

Teaching Fellow
ECON 500 01
Gen Econ Theory:Microeconomics

Q:

What are the strengths and weaknesses of the TF for this course, and how might his/her teaching be improved

Strengths

Responses:

Instructor: Yi Chen

Yi Chen is an excellent economics TA: he's very clear and focused a lot on intuition and visual aids rather than simply proofs. He was very helpful with any questions we had.

Instructor: Yi Chen

Worked out difficult problem set questions in class. Tried to bring clarity to difficult concepts.

Instructor: Yi Chen

The TA sections were good, and he was well-prepared for office hours.

Instructor: Yi Chen

Yi Chen and Ana Reynoso were both excellent teaching assistants. They both were very approachable, and dedicated to answering our questions.

Instructor: Yi Chen

Gave alternative methods to solving some problems. Very helpful.

Instructor: Yi Chen

Good selection of material for classes
